CAPTAIN CANOT, TAKE NOTICE OFFICIAL

UTHOR OF THE GREAT BOOK JUST BE-IN PUBLISHED, SPEAKS of HAMPTON'S GREAT OURE OF RHEUMATISM CONTRACTED

UNDER TROPICAL CLIMATES.

BALTIMORE, Md., June 4, 1854. Mr. Mockbridge, of the Fountain Hotel Light street, Baltimore Dear Sir : Being on the point of leaving the city, avail myself of a few idle mements to thank you

kiedly for the medicine you sent me, and shich has restored me to the use of my limbs. I beg you to end me four bottles more, to carry on my voyage. Siace I had the fortune to use Dr. Hampton's Vege table Tineture my confidence is so strong that, in gratitude o the proprietors of said medicine, I beg on to present my respects to them, and induce them to make it more publicly known as a sure Bheumatic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed useless in all my li abs, you can appreciate nearly s well as myself the prompt relief I received from Dr. Hampton's Tincture, and I am positive had it not been for your strong and forcible recommenda-

ions I should still have been in bed. It is really a pity this specific should not be ap roved by medical men, and like all patent drugs it hould suffer the imputation the public generally give to such prep rations. I myself, who was al ways opposed to a patented specific, took this medicine with rejuctance, and without confidence in it, and it was only through your disinterested, friendly recommendations, and my critical situation that in-duced me to try this really beneficial Vegetable Tincture.

You may inform Messrs. Mortimer & Mowbray hat they are at liberty to make use of my name in he support of the good effects of Dr. Hampton's getable Tincture, as it has cured me in five weeks of a chronic Inflammatory Rheumatism, contracted under tropical climates, and of seven years' periodica duration. I have only used three bottles, and find that even the deformed parts of my hands are fast

ethrning o their former natural appe rence I have been under the treatment of several phyans in London and Paris, without any apparent nefit; also, while in New York, having tried the 11- pmpsonian and Homopathic remedies, after havog been tormented with galvanic be teries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so tar, cured by this Hampton's Vege able Tincture only. Therefore, my dear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CANOT

REV. VARNON ESKRIDGE, U. S. N.

PORTSMOUTH, VA , Aug. 18, 1851. Mr. J. E. Boush-pear sir: While I am, in gene rai, opposed to patent medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months rast I have used it in my family; and in dyspepsia, loss of appetite, disziness, and general de-bility, with entire success. So far as my experience ingit to the afflicted as a safe and efficient remedy.

I am, respectfully, yours, VERNON ESKRIDGE, Chaplain, United States Navy.
